INSTITUTION RATING

INSTITUTION'S CRA RATING: This institution is rated **Satisfactory**. An institution in this group has a satisfactory record of helping to meet the credit needs of its assessment area (AA) in a manner consistent with its resources and capabilities.

Pataskala's satisfactory Community Reinvestment Act (CRA) performance under the Lending Test supports the overall rating. Examiners did not identify any evidence of discriminatory or other illegal credit practices. The following points summarize the bank's Lending Test performance.

- The loan-to-deposit (LTD) ratio is reasonable given the institution's size, financial condition, and AA credit needs.
- The bank made a majority of its small business and home mortgage loans in the institution's AA.
- The distribution of borrowers reflects reasonable penetration among businesses of different sizes and excellent penetration among individuals of different income levels.
- Given that the AA contains no low- or moderate-income geographies in the AA, examiners conducted a limited review of this performance criterion, as it bears no weight in the overall rating.
- The institution did not receive any CRA-related complaints since the last evaluation; therefore, this factor did not affect the Lending Test.

SCOPE OF EVALUATION

General Information

The evaluation covers the period from the prior evaluation dated February 14, 2012, to the current evaluation dated March 5, 2018. Examiners used the Interagency Small Institution Examination Procedures to evaluate The Pataskala Banking Company's (Pataskala) CRA performance. These procedures include the Small Bank Lending Test, which considers the following performance criteria:

- LTD ratio
- AA concentration
- Borrower profile
- Geographic distribution
- Response to CRA-related complaints

The U.S. Census Bureau revised its approach to collecting population and demographic data that examiners use in CRA evaluations. Federal Banking agencies now receive estimated census data from the Federal Financial Institutions Examination Council (FFIEC) on a five-year cycle. As such, the bank's lending data that examiners reviewed for this Performance Evaluation spanned two sets of census data. Examiners analyzed bank data from 2016 using the 2010 U.S. Census data and analyzed bank data for 2017 using the 2015 American Community Survey (ACS).

Loan Products Reviewed

Examiners determined that the bank's major product lines are small business and home mortgage loans. This conclusion considered the bank's business strategy and the number and dollar volume of loans originated during the evaluation period. The bank is not subject to the data collection requirements of the Home Mortgage Disclosure Act.

Small business loans contributed more weight to the overall conclusions as this loan product had the largest volume of loan originations by number and dollar amount. Examiners ranked home mortgage loans second in weight as this product's originations (by number and dollar) represented a sizable origination volume for the timeframe reviewed. No other loan types, such as small farm loans or consumer loans, represent a major product line. Therefore, they provided no material support for the conclusions or ratings presented in this Performance Evaluation.

Bank records indicated that the lending focus and product mix remained consistent throughout the evaluation period. Examiners reviewed all small business loan originations for 2016 and 2017. The bank granted 14 small business loans totaling \$810,000 in 2016 and 23 small business loans totaling \$2.7 million in 2017. Examiners used bank records to determine home mortgage originations, and this evaluation includes all home mortgage loans granted by the bank in 2016 and 2017. The bank granted 11 home mortgage loans totaling \$1.2 million in 2016 and 10 loans totaling \$966,000 in 2017.

Examiners reviewed the number and dollar volume of small business and home mortgage loans, but emphasized performance by number, as it is a better means of determining the number of borrowers served.

DESCRIPTION OF INSTITUTION

Background

Pataskala's headquarters are in Pataskala, Ohio. The bank operates primarily in southwest Licking County, Ohio. The institution received a Satisfactory rating at its FDIC Performance Evaluation dated February 14, 2012, based on Interagency Small Institution Examination Procedures.

Operations

Pataskala operates three offices, including the main office and two branch offices in Licking County. The bank has two full-service branch offices: one branch has a Reynoldsburg mailing address but is located on East Broad Street in the City of Pataskala (Summit Station Branch), and the other is located on Hazelton-Etna Road in Pataskala (Etna Branch). The bank offers agricultural, commercial, consumer, and home mortgage loan products, as well as checking, savings, and certificate of deposit products. Alternative banking services include internet and mobile banking, electronic bill pay, and automated teller machines located at each branch. The primary business focus is home mortgage and commercial lending. The bank did not open or close any branches since the last evaluation.

Ability and Capacity

Assets totaled approximately \$34.1 million as of December 31, 2017, and included total loans of \$17.9 million. The following table illustrates the loan portfolio.

Examiners did not identify any financial, legal, or other impediments that affect the bank's ability to meet AA credit needs.

DESCRIPTION OF ASSESSMENT AREA

The CRA requires each financial institution to define one or more AAs within which examiners will evaluate its CRA performance. The bank designated a single AA in the Columbus Ohio Metropolitan Statistical Area (MSA). The bank's AA conforms to regulatory requirements, as it includes the census tracts where the bank's offices are located, consists of contiguous whole census tracts, and does not arbitrarily exclude any low- or moderate-income census tracts. The following sections discuss demographic and economic information for the AA.

Economic and Demographic Data

The AA includes a portion of Licking County, Ohio, on the southwest side of the county. While the AA is unchanged from the previous evaluation, census tract 7562 split into two tracts due to the 2010 U.S. Census. The sections below reflect demographic information regarding the AA changes from 2016 to 2017. According to the 2010 U.S. Census, there were four middle-income and four upper-income tracts in the AA. According to the 2015 ACS, there were five middle-income tracts and three upper-income tracts.

The following table illustrates select demographic characteristics of the AA.

According to the 2017 D&B data, there were 2,564 businesses in the area. Gross annual revenues (GARs) for these businesses are below:

- 88.3 percent have \$1.0 million or less
- 3.9 percent have more than \$1.0 million
- 7.8 percent have unknown revenues

The analysis of small business loans under the Borrower Profile criterion compares the distribution of businesses by GAR level. Service industries represent the largest portion of businesses at 42.4 percent; followed by construction (12.5 percent); retail trade (10.8 percent); and finance, insurance, and real estate (7.8 percent). Major employers in the AA include Licking County Memorial Hospital, Licking County Government, State Farm Insurance Company, Park National Bank, and Denison University. In addition, 75.6 percent of area businesses have four or fewer employees, and 92.5 percent operate from a single location. The 2016 data is similar to 2017.

The information from the 2010 U.S. Census shows that there were 16,803 housing units in the AA. Of these, 79.8 percent are owner-occupied, 14.7 percent are occupied rental units, and 5.5 percent are vacant. The 2015 ACS shows there were 17,436 housing units in the AA. Of those housing units, 76.9 percent were owner-occupied, 17.8 percent were rental units, and 5.3 percent were vacant.

Examiners use the FFIEC-updated median family income level to analyze home mortgage loans under the Borrower Profile criterion. The following table presents the low-, moderate-, middle-, and upper-income categories.

Competition

The AA is a moderately competitive market for financial services. According to the FDIC Deposit Market Share data as of June 2017, 13 financial institutions operated 47 full-service offices within Licking County. Of these institutions, Pataskala ranked eighth with a 1.1 percent deposit market share.

The bank is not required to collect or report its small business loan data. Therefore, the analysis of small business loans under the Lending Test does not include comparisons to aggregate data; however, the aggregate data can indicate small business loan demand. Aggregate data for 2016 shows that 69 institutions reported 2,447 small business loans in Licking County, indicating a moderate degree of competition for this product.

There is an adequate level of competition for home mortgage loans among several banks, credit unions, and non-depository mortgage lenders. In 2016, 246 lenders reported 3,437 residential mortgage loans originated or purchased. Pataskala is not required to collect or report home mortgages, but this provides an indicator of competition. The five most prominent home mortgage lenders accounted for 22.3 percent of the total market share.

Community Contact

As part of the evaluation process, examiners contact third parties active in the AA to assist in identifying the credit needs. This information helps determine whether local financial institutions are responsive to these needs. It also shows what credit opportunities are available. Examiners contacted a member of a community action organization active in Licking County. According to the contact, there is new construction of homes in subdivisions. There is a need for affordable housing as the new home prices start slightly above \$200,000. The contact also stated that although the economy and employment rate is improving with the addition of national warehouse distribution firms, there is still a great need for community services for low-income families such as food pantries and help paying utility bills. Overall, the contact is satisfied with the level of financial institution involvement in the community and indicated that the primary credit needs in the community are affordable housing and small business loans.

CONCLUSIONS ON PERFORMANCE CRITERIA

LENDING TEST

Pataskala demonstrated reasonable performance under the Lending Test. Performance in the Borrower Profile criterion primarily supports this conclusion.

Loan-to-Deposit Ratio

The LTD ratio is reasonable given the institution's size, financial condition, and AA credit needs. The bank's LTD ratio, calculated from Call Report data, averaged 57.6 percent over the past 24 calendar quarters from March 31, 2012, to December 31, 2017. The ratio ranged from a low of 50.4 percent as of March 31, 2014, to a high of 64.0 percent as of June 30, 2015. The ratio remained consistent over the 24 quarters reviewed. Examiners selected two comparable institutions based on their asset size, geographic location, and lending focus. As shown in the following table, Pataskala maintained a ratio that was comparable to both institutions.

Assessment Area Concentration

Overall, the bank originated a majority of loans within the AA, but performance was not consistent by either product or year. As shown in the following table, a majority of the bank's 2016 small business lending activities was within the AA, but a majority was outside in 2017. With regard to home mortgage loans, a majority by number was outside the AA in 2016, but inside in 2017. Examiners considered the performance reasonable overall.

Borrower Profile

The distribution of borrowers reflects reasonable penetration among businesses of different sizes and excellent penetration among individuals of different income levels. Examiners focused on the percentage by number of small business loans to businesses with GARs of \$1.0 million or less and the percentage by number of home mortgage loans to low- and moderate-income borrowers.

Small Business Loans

The distribution of small business loans is reasonable among businesses of different sizes based upon a comparison to the business population by GAR. The following table shows that the bank originated 90.0 percent of the bank's small business loans to businesses with GARs of \$1.0 million or less in 2016, which is in line with the demographic information at 88.5 percent.

In 2017, the bank's performance is below the percentage of businesses with GARs of \$1.0 million or less, but is considered reasonable. The D&B data includes all businesses in the market and not just those seeking traditional commercial financing in the given year. Consequently, actual small business lending opportunities often lag the percentage of small businesses represented within the market area, as small businesses may be more likely to seek alternatives to conventional commercial financing such as home equity lines of credit or credit cards.

While examiners usually focus on the bank's performance using number volume (as it is typically more representative of the opportunities for lending given smaller businesses customarily request smaller dollar loans), it is important to note that Pataskala has uncharacteristically stronger performance by dollar volume than by number volume. The bank's performance by dollar volume (as measured by percentage in the following table) in the \$1.0

million and less GAR segment is superior to the performance by number volume for each of the years reviewed.

In order to gain a better measure for the opportunities to make loans to small businesses, examiners compared Pataskala's performance to two other similarly situated banks that are located in the AA. Between these two institutions, the concentration of lending to businesses with GARs of \$1.0 million or less ranged from 63.6 percent to 86.0 percent by number, averaging 74.1 percent. These results are comparable to the average concentration that Pataskala maintained during the last two years of 76.8 percent.

Home Mortgage Loans

The bank's lending to low- and moderate-income borrowers is excellent. As shown in the following table, lending to low-income borrowers exceeded the percentage of low-income families in both years based on the number of loans. Likewise, lending to moderate-income borrowers also exceeded the percentage of moderate-income families in 2016 and nearly matched it in 2017.

Geographic Distribution

Given that the AA contains no low- or- moderate-income geographies in the AA, examiners did not consider this performance criterion, as it bears no weight in the overall rating.

Response to Complaints

The bank did not receive any CRA-related complaints since the previous evaluation; therefore, this criterion did not affect the Lending Test rating.

DISCRIMINATORY OR OTHER ILLEGAL CREDIT PRACTICES REVIEW

Examiners did not identify any evidence of discriminatory or other illegal credit practices; therefore, this consideration did not affect the institution’s overall CRA rating.

GLOSSARY

Aggregate Lending: The number of loans originated and purchased by all reporting lenders in specified income categories as a percentage of the aggregate number of loans originated and purchased by all reporting lenders in the metropolitan area/assessment area.

Area Median Income: The median family income for the MSA, if a person or geography is located in an MSA; or the statewide nonmetropolitan median family income, if a person or geography is located outside an MSA.

Assessment Area: A geographic area delineated by the bank under the requirements of the Community Reinvestment Act.

Census Tract: A small, relatively permanent statistical subdivision of a county or equivalent entity. The primary purpose of census tracts is to provide a stable set of geographic units for the presentation of statistical data. Census tracts generally have a population size between 1,200 and 8,000 people, with an optimum size of 4,000 people. Census tract boundaries generally follow visible and identifiable features, but they may follow nonvisible legal boundaries in some instances. State and county boundaries always are census tract boundaries.

Combined Statistical Area (CSA): A combination of several adjacent metropolitan statistical areas or micropolitan statistical areas or a mix of the two, which are linked by economic ties.

Consumer Loan(s): A loan(s) to one or more individuals for household, family, or other personal expenditures. A consumer loan does not include a home mortgage, small business, or small farm loan. This definition includes the following categories: motor vehicle loans, credit card loans, home equity loans, other secured consumer loans, and other unsecured consumer loans.

Core Based Statistical Area (CBSA): The county or counties or equivalent entities associated with at least one core (urbanized area or urban cluster) of at least 10,000 population, plus adjacent counties having a high degree of social and economic integration with the core as measured through commuting ties with the counties associated with the core. Metropolitan and Micropolitan Statistical Areas are the two categories of CBSAs.

Family: Includes a householder and one or more other persons living in the same household who are related to the householder by birth, marriage, or adoption. The number of family households always equals the number of families; however, a family household may also include non-relatives living with the family. Families are classified by type as either a married-couple family or other family. Other family is further classified into "male householder" (a family with a male householder and no wife present) or "female householder" (a family with a female householder and no husband present).

Family Income: Includes the income of all members of a family that are age 15 and older.

FFIEC-Estimated Income Data: The Federal Financial Institutions Examination Council (FFIEC) issues annual estimates which update median family income from the metropolitan and nonmetropolitan areas. The FFIEC uses American Community Survey data and factors in information from other sources to arrive at an annual estimate that more closely reflects current economic conditions.

Full-Scope Review: A full-scope review is accomplished when examiners complete all applicable interagency examination procedures for an assessment area. Performance under applicable tests is analyzed considering performance context, quantitative factors (for example, geographic distribution, borrower profile, and total number and dollar amount of investments), and qualitative factors (for example, innovativeness, complexity, and responsiveness).

Geography: A census tract delineated by the United States Bureau of the Census in the most recent decennial census.

Home Mortgage Disclosure Act (HMDA): The statute that requires certain mortgage lenders that do business or have banking offices in a metropolitan statistical area to file annual summary reports of their mortgage lending activity. The reports include such data as the race, gender, and the income of applicants; the amount of loan requested; and the disposition of the application (approved, denied, and withdrawn).

Home Mortgage Disclosure Loan Application Register (HMDA LAR): The HMDA LARs record all applications received for residential purchase, refinance, home improvement, and temporary-to-permanent construction loans.

Home Mortgage Loans: Includes home purchase and home improvement loans as defined in the HMDA regulation. This definition also includes multi-family (five or more families) dwelling loans, loans to purchase manufactured homes, and refinancings of home improvement and home purchase loans.

Household: Includes all persons occupying a housing unit. Persons not living in households are classified as living in group quarters. In 100 percent tabulations, the count of households always equals the count of occupied housing units.

Household Income: Includes the income of the householder and all other persons that are age 15 and older in the household, whether related to the householder or not. Because many households are only one person, median household income is usually less than median family income.

Housing Unit: Includes a house, an apartment, a mobile home, a group of rooms, or a single room that is occupied as separate living quarters.

Limited-Scope Review: A limited scope review is accomplished when examiners do not complete all applicable interagency examination procedures for an assessment area. Performance under applicable tests is often analyzed using only quantitative factors (for example, geographic distribution, borrower profile, total number and dollar amount of investments, and branch distribution).

Low-Income: Individual income that is less than 50 percent of the area median income, or a median family income that is less than 50 percent in the case of a geography.

Market Share: The number of loans originated and purchased by the institution as a percentage of the aggregate number of loans originated and purchased by all reporting lenders in the metropolitan area/assessment area.

Median Income: The median income divides the income distribution into two equal parts, one having incomes above the median and other having incomes below the median.

Metropolitan Division (MD): A county or group of counties within a CBSA that contain(s) an urbanized area with a population of at least 2.5 million. A MD is one or more main/secondary counties representing an employment center or centers, plus adjacent counties associated with the main/secondary county or counties through commuting ties.

Metropolitan Statistical Area (MSA): CBSA associated with at least one urbanized area having a population of at least 50,000. The MSA comprises the central county or counties or equivalent entities containing the core, plus adjacent outlying counties having a high degree of social and economic integration with the central county or counties as measured through commuting.

Micropolitan Statistical Area: CBSA associated with at least one urbanized area having a population of at least 10,000, but less than 50,000.

Middle-Income: Individual income that is at least 80 percent and less than 120 percent of the area median income, or a median family income that is at least 80 and less than 120 percent in the case of a geography.

Moderate-Income: Individual income that is at least 50 percent and less than 80 percent of the area median income, or a median family income that is at least 50 and less than 80 percent in the case of a geography.

Multi-family: Refers to a residential structure that contains five or more units.

Nonmetropolitan Area: All areas outside of metropolitan areas. The definition of nonmetropolitan area is not consistent with the definition of rural areas. Urban and rural classifications cut across the other hierarchies. For example, there is generally urban and rural territory within metropolitan and nonmetropolitan areas.

Owner-Occupied Units: Includes units occupied by the owner or co-owner, even if the unit has not been fully paid for or is mortgaged.

Rated Area: A rated area is a state or multistate metropolitan area. For an institution with domestic branches in only one state, the institution's CRA rating would be the state rating. If an institution maintains domestic branches in more than one state, the institution will receive a rating for each state in which those branches are located. If an institution maintains domestic

branches in two or more states within a multistate metropolitan area, the institution will receive a rating for the multistate metropolitan area.

Rural Area: Territories, populations, and housing units that are not classified as urban.

Small Business Loan: A loan included in "loans to small businesses" as defined in the Consolidated Report of Condition and Income (Call Report). These loans have original amounts of \$1 million or less and are either secured by nonfarm nonresidential properties or are classified as commercial and industrial loans.

Small Farm Loan: A loan included in "loans to small farms" as defined in the instructions for preparation of the Consolidated Report of Condition and Income (Call Report). These loans have original amounts of \$500,000 or less and are either secured by farmland, including farm residential and other improvements, or are classified as loans to finance agricultural production and other loans to farmers.

Upper-Income: Individual income that is 120 percent or more of the area median income, or a median family income that is 120 percent or more in the case of a geography.

Urban Area: All territories, populations, and housing units in urbanized areas and in places of 2,500 or more persons outside urbanized areas. More specifically, "urban" consists of territory, persons, and housing units in places of 2,500 or more persons incorporated as cities, villages, boroughs (except in Alaska and New York), and towns (except in the New England states, New York, and Wisconsin).

FUNDS AVAILABILITY POLICY DISCLOSURE

YOUR ABILITY TO WITHDRAW FUNDS AT THE PATASKALA BANKING COMPANY. Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. However, funds from electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and/or we will use them to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 4:30 pm on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 4:30 pm on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Reservation of Right to Hold. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$225.00 of your deposit, however, may be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the business day after we receive your deposit. If you need the funds from a deposit right away, you should ask us when the funds will be available.

Longer Delays May Apply. We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- * You deposit checks totaling more than \$5,525.00 on any one day.
- * You redeposit a check that has been returned unpaid.
- * You have overdrawn your account repeatedly in the last six months.

- * We believe a check you deposit will not be paid.
- * There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Holds On Other Funds. If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Special Rules For New Accounts. If you are a new customer, the following special rules will apply during the first 30 days your account is open:

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525.00 will be available on the same business day as the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit.

Funds from deposits of checks drawn on The Pataskalia Banking Company will be available on the same business day as the day of your deposit.

Funds from all other check deposits will be available on the eleventh business day after the day of your deposit.

You may use the automated teller machine (ATM) card and personal identification number (PIN) issued to you to initiate transactions at ATMs of ours, ATMs within the networks identified on your card and such other facilities as we may designate from time to time. Unless you specify a different account during Automated Teller Machine (ATM) transactions, your Primary Account will be used for your transactions. Your Primary Account number and information may be obtained from the Combined ATM/POS/Debit Card Request Form. ATM Fees. When you use an ATM not owned by us, you may

be charged a fee by the ATM operator or a network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

Other EFT Transactions. You may access certain account(s) you maintain with us by other EFT transaction types as described below.

Electronic Check Conversion. You may authorize a merchant or other payee to make a one-time electronic payment from your account using information from your check to pay for purchases or pay bills. Electronic check conversion is a payment process in which a merchant or other payee (after obtaining your authorization) uses your check to gather routing, account, and check number information to initiate a one-time EFT. When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. This type of EFT transaction involving a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. A description of the transaction will appear on your statement.

Re-presented Check Transactions and Fees. You may authorize a merchant to electronically collect a fee associated with the re-presentation of a check that is returned due to insufficient or unavailable funds. The resulting fee transaction if debited as an EFT from a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. When a merchant re-presents a check electronically, that transaction is not covered by the Electronic Funds Transfer Act or this disclosure. A description of the transaction will appear on your statement.

Liability for Unauthorized VISA Debit Card Transactions. The following limitations may be applicable to your accounts, except as provided by law:

The zero liability limit described below only applies to debit cards that are United States issued VISA Consumer Cards or VISA Business Cards for transactions processed through a VISA network or, for ATM transactions, a Plus network. The zero liability limit described below does not apply to: (a) other types of VISA commercial debit cards that are not VISA Business Cards; (b) transactions using your personal identification number that are not processed through a VISA network; and (c) ATM transactions which are not sent over VISA or Plus networks.

Tell us **AT ONCE** if you believe your VISA debit card has been lost or stolen or if you believe any unauthorized transactions have been made using your VISA debit card. Your liability for unauthorized VISA debit card transactions that are processed through a VISA or Plus network, as applicable, will be zero dollars (\$0.00). However, to the extent allowed under applicable law (see for example the Liability for Unauthorized Transfers paragraph below) we may hold you liable for the entire amount of an unauthorized transaction if we find, based on substantial evidence, that you have been negligent or fraudulent in the handling of your deposit account or VISA debit card.

For VISA Business Cards: An "unauthorized transaction" does not include any transaction allegedly conducted by (a) a business co-owner, (b) the cardholder or person authorized by the cardholder, or (c) any other person with an interest in or authority to transact business on the account.

To notify us of lost or stolen cards, or of unauthorized transactions, call or write to us at the telephone number or address set forth in the **Liability for Unauthorized Transfers** paragraph below. This will help prevent unauthorized access to your account and minimize any inconvenience.

VISA is a registered trademark of Visa in the United States and other countries.

In addition to the limitations set forth above, the following limitations may be applicable to your consumer accounts:

Liability for Unauthorized Transfers. Tell us AT ONCE if you believe your card, ATM PIN, or POS card or PIN has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days after you learn of the loss or theft of your card or code, you can lose no more than \$50.00 if someone used your card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or code, and we can prove that we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, including those made by card code or other such means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (740) 927-4956 or write us at The Pataaskala Banking Company, 354 S. Main St., Pataaskala, OH 43062-9626. You should also call the number or write this address if you believe a transfer has been made using the information from your check without your permission.

The above limitations do not apply to business accounts, unless otherwise required by law. You accept responsibility for implementing commercially reasonable security measures to safeguard your business account card, ATM PIN, or POS card or PIN, Audio Response PIN, or online and/or mobile banking PIN from unauthorized use. If you authorize employees, agents, or others to use your card or code, you shall be liable for transactions conducted by such additional users. You are responsible for promptly examining your statement each statement period and reporting any unauthorized transaction within a reasonable time, not to exceed Thirty (30) calendar days after the statement is made available. If you believe that your card or code has been lost or stolen or that someone has

transferred or may transfer money from your account without your permission, call (740) 927-4956.

Illegal Transactions. You may not use your ATM, POS, or Debit Card, or other access device for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Notwithstanding the foregoing, we may collect on any debt arising out of any illegal or unlawful transaction.

Business Days. For purposes of these electronic funds transfer disclosures, our business days are Monday through Friday. Holidays are not included.

Stop Payments on ATM, POS, or Debit Card Transactions. You may not place a stop payment order on any ATM, POS, or debit card transaction.

Periodic Statement. You will get a monthly account statement from us on your checking account. For all other accounts you will get a monthly account statement from us, unless there are no transactions in those accounts in a particular month (in which case you will get a statement at least quarterly). You will get a quarterly statement from us on your savings account if this is the only account you maintain and the only possible electronic transfer to or from the account is a preauthorized deposit. If you have a passbook account, you may bring your passbook to us and we will record any direct deposits that we made to your account since the last time you brought in your passbook.

Terminal Receipt. You can get a receipt at the time you make a transfer to or from your account using one of our ATMs or a POS terminal. However, receipts for transactions of \$15.00 or less may not always be available.

Direct Deposits. If you have arranged to have direct deposits made to your account at least once every sixty (60) days from the same person or company, you can call us at (740) 927-4956 to find out whether or not the deposit has been made.

Our Liability for Failure to Make Transfers. For consumer accounts, if we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will NOT be liable for instance:

- * If, through no fault of ours, you do not have enough money in your account to make the transfer.
- * If the money in your account is subject to legal process or other claim restricting such transfer.
- * If the transfer would go over the credit limit on your overdraft line.
- * If the ATM where you are making the transfer does not have enough cash.
- * If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.

* If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.

* There may be other exceptions stated in our agreement with you.

For business accounts, refer to your account agreement(s) with us.

In Case of Errors or Questions About Your Electronic Transfers. For consumer accounts, telephone us at (740) 927-4956, or write us at The Pataaskala Banking Company, 354 S. Main St., Pataaskala, OH 43062-9626 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- * Tell us your name and account number (if any).
- * Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- * Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If a notice of error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, point of sale debit card transactions, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If a notice of error involves unauthorized use of your point of sale debit card with the VISA logo when it is used as a VISA point of sale debit card, we will provide provisional credit within five (5) business days after you notify us instead of within ten (10) or twenty (20) business days. We may withhold providing this accelerated provisional credit, to the extent allowed under applicable law, if the circumstances or account history warrants the delay.

For business accounts, we will generally follow the procedures for error resolution described above, but we are not required to process a claim if you do not notify us within Thirty (30) calendar days after the statement is made available, to give provisional credit, or to investigate your claim within the time periods described above.

Confidentiality. We will disclose information to third parties about your account or the transfers you make:

- * To complete transfers as necessary;
- * To verify the existence and condition of your account upon the request of a third party, such as a credit bureau or merchant; or
- * To comply with government agency or court orders; or
- * If you give us your written permission.

Personal Identification Number (PIN). The ATM PIN or POS PIN issued to you is for your security purposes. The numbers are confidential and should not be disclosed to third parties or recorded on the card. You are responsible for safekeeping your PIN(s). You agree not to disclose or otherwise make your ATM PIN or POS PIN available to anyone not authorized to sign on your accounts.

Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address on our records. Notices from you will be effective when received by us at the telephone number or the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty one (21) days before the effective date of any change, as required by law. Use of this service is subject to existing regulations governing your account and any future changes to those regulations.

Enforcement. In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

Termination of ATM and POS Services. You agree that we may terminate this Agreement and your use of the ATM Card or POS services, if:

- * You or any authorized user of your ATM PIN or POS card or PIN breach this or any other agreement with us;
- * We have reason to believe that there has been an unauthorized use of your ATM PIN or POS card or PIN;
- * We notify you or any other party to your account that we have cancelled or will cancel this Agreement. You or any other party to your account can terminate this Agreement by notifying us in writing.

Termination of service will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

Other Provisions. There may be a delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited at ATMs. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

DEPOSIT ACCOUNT AGREEMENT AND DISCLOSURE

INTRODUCTION. In this Deposit Account Agreement and Disclosure, each and all of the depositors are referred to as "you" and "your." The Financial Institution is referred to as "we," "our," and "us." This Deposit Account Agreement contains the terms and conditions governing certain of your deposit accounts with us. As used in this document, the term "Agreement" means this document, the signature card, a rate and fee schedule (which may be in the form of a Rate and Fee Schedule, Time Certificate of Deposit, or Confirmation of Time Deposit, hereinafter called the "Schedule"), Truth in Savings disclosures, a Funds Availability Policy Disclosure, and an Electronic Funds Transfer Agreement and Disclosure, if applicable. Each of you signing the signature card for a deposit account acknowledges receipt of this Agreement, and agrees to the terms set forth in the Agreement, as amended from time to time. You agree that we may waive, in our sole discretion, any fee, charge, term, or condition set forth in this Agreement at the time the Account is opened or subsequent thereto, on a one-time basis or for any period or duration, without changing the terms of the Agreement or your obligation to be bound by the Agreement, and we are not obligated to provide similar waivers in the future or waive our rights to enforce the terms of this Agreement.

DATE ACCOUNT OPENED. If you open an account with us after 4:30 PM on a business day that we are open, we will consider that the transaction was made at the opening of the next business day for account opening, effective date and issue date purposes.

DEPOSIT ACCOUNTS. From time to time, we may offer or you may open a variety of deposit accounts. Each such account (the "Account") is subject to the general terms and conditions and any specific terms and conditions relating to that type of account that may be set forth in this Agreement. If you open multiple Accounts, you may receive Schedule information for each Account, but this Agreement will cover all your Accounts with us. Each of you will be jointly and severally liable to us for debit balances in the Account, including without limitation overdrafts and Account charges, and jointly and severally promise to pay, upon demand, any and all debit balances, all fees and charges, and our reasonable attorneys' fees and costs and expenses of collection, including but not limited to those incurred at trial and on any appeal.

INTEREST. If your Account earns interest, the following information applies: (A) Payment of interest. We will pay interest at the annual rate specified on the Schedule, which does not reflect compounding ("interest rate"). The Schedule also sets forth the frequency of interest payments, the frequency of any compounding and crediting, the interest

accrual basis, the balance on which interest will be paid, and any minimum balance requirements. (B) Minimum Balance Requirements. The Schedule will specify a minimum balance that you are required to maintain in your Account. If the minimum balance is not maintained during a specified period, we, at our option, may not pay interest on your Account and/or may charge a fee for that period. You should review any minimum balance requirements on the Schedule. (C) Initial Interest Rate. The initial interest rate is the current annual rate of interest that we will pay on the specified balance in your Account. We may pay interest at different rates, depending on the amount deposited and the type of depositor (individual, business, non-profit organization, etc.). (D) Interest Compounding and Crediting. The Schedule will indicate the interest compounding and crediting frequency for your Account (if any). Compounding generally means that interest is being accrued on earned interest. Interest may be compounded more frequently than interest is credited to your Account. (E) Interest Accrual. We may accrue interest on your Account more frequently than we pay or credit interest. The interest that has been calculated, but not paid to the Account, is called accrued unpaid interest. (F) Changes. We have the right to change the rates and fees in accordance with the terms of the Schedule. We also reserve the right to change any other term of this Agreement at our sole discretion.

FEES AND CHARGES. Subject to applicable law, you agree to pay us the fees and charges shown in the Schedules as are applicable to your Account or for other services performed by us. You agree the fees and charges may be changed by us from time to time and authorize us to charge your account for their payment whether or not each charge results in an overdraft of your account. Existing and future charges may be based upon the overall costs of providing account services and may or may not be based upon the direct cost or expense associated with providing the particular service involved. The charges may be based on consideration of profit, competitive position, deterrence of misuse of account privileges by customers, and the safety and soundness of the financial institution. We will notify you of the changes, to the extent required by law.

INSUFFICIENT FUNDS. If an item drafted by you (such as a check you write) or drafted by someone else with your permission (such as a remotely created check or preauthorized draft you authorize someone else to create), or a transaction you authorize (such as a preauthorized electronic fund transfer), is presented for payment in an amount that is more than the amount of money available in your account, and we decide not to pay the item or transaction, you agree that we can charge you a fee for returning the payment. When we return a payment due to insufficient available funds, the person who submitted the item or transaction may re-submit the returned item or transaction to us for payment. You understand and agree that we may charge you a fee each time we return an item or transaction that is presented to us for payment because the amount of money available in your account at the time of presentment or re-presentment is not sufficient. See the Schedule of Fees for additional information.

BALANCE METHODS. As used in this Agreement, the "average

daily balance" method means "the application of a periodic rate to the average daily balance in the account for the period, determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period." The "daily balance" method means "the application of a daily periodic rate to the full amount of principal in the account each day."

DEPOSIT RULES. The following terms apply to deposits made to your Account: (A) **Endorsements.** You authorize us to accept transfers, checks, and other items for deposit to your Account if they are made payable to, or to the order of, any one or more of you, whether or not they are endorsed by you. You authorize us to supply missing endorsements, and you warrant that all endorsements are genuine. All checks and other items deposited to your Account should be endorsed payable to the order of us for deposit only, followed by your signature and Account number. We may permit you to deposit an electronic image or other electronic information related to a paper check through a service we provide that allows you to use a device, such as a mobile phone, to create and send to us such electronic image or information electronically. Before capturing an electronic image or electronic information of a paper check, you must endorse the check payable to the order of us "for mobile deposit only", followed by your signature and Account number, or any alternative restrictive endorsement we may allow and communicate to you. All endorsements must appear on the back of the check or other item within the first 1-1/2 inches from the left side of the item when looking at it from the front. Endorsements should be in black ink. While we may accept non-conforming endorsements, you will be responsible for any loss incurred by us due to the delay in processing or returning the item for payment. (B) **Final Payment.** All non-cash items (for example, checks) deposited to your Account are posted subject to our receipt of final payment by the payor bank. Upon receipt of final payment, the item becomes a collected item. If final payment is not received or if any item you have deposited or cashed is charged back to us for any reason, you authorize us to charge any of your Accounts, without prior notice and at any time, for the amount of the returned item, our returned item fee, any interest paid on that item, and any other fee we pay or incur. If an item to be charged back is lost in the process of collection or unavailable for return, we may rely upon a photocopy of the item or upon any other generally accepted notification of return of the item, in charging you or any of your Accounts for the amount of the returned item. We reserve the right to refuse any item for deposit into your Account. (C) **Direct Deposits.** If we offer direct deposit services for automatic preauthorized deposits to your Account of Social Security payments or automatic transfers from your other accounts with us, you must notify us at least 30 days prior to the next scheduled direct deposit or preauthorized transfer if you wish to cancel the direct deposit or transfer service. If any amount deposited must be returned to the government for any reason, you authorize us to deduct the amount from your Account as provided in the Final Payment paragraph above. (D) **Crediting of Deposits.** The Funds Availability Policy Disclosure provided to you reflects our policies relating to the availability of deposited funds. (E) **Substitute Checks and Electronic Files Pertaining to Original**

Checks. If you deposit a "substitute check" (as defined in Regulation CC § Section 229.2(aaa)) or a purported substitute check into your Account, you agree to reimburse us for losses, costs and expenses we may pay or incur associated with the item not meeting applicable substitute check standards and/or from duplicate payments associated with the item. If you provide us with an electronic image or electronic information related to a paper check for deposit into your Account, you agree to reimburse us for losses, costs, and expenses we may pay or incur associated with the electronic image or information not meeting applicable standards for such images and/or from duplicate payment associated with the check. (F) **Deposit Discrepancies.** When you make a deposit to your account, we will credit your account for the amount stated on your deposit slip and we may review the deposit and confirm the amount of funds you deposited but are not required to do so. If after any review we determine that the amount credited to your account is incorrect, we may adjust your account for the amount of the discrepancy but reserve the right not to do so if the discrepancy would not be a disadvantage to you. This may be the case, for example, if the amount credited to your account was more than the amount actually deposited by you. Notwithstanding the foregoing, we are not required to adjust your account unless within one year of the date of your account statement that shows the deposit either you notify us of the discrepancy or we discover it on our own. If you do not notify us of the error or we do not discover it on our own during this notice period, the amount credited to the account will be considered final.

WITHDRAWAL RULES. The following terms apply to withdrawals from your Account: (A) **Manner of Withdrawal.** You may make withdrawals from your Account in any manner that is permitted by us for the type of Account that you have opened. Withdrawals by mail will be posted to your Account as of the day the transaction is processed by us. We may refuse to accept any check other than standard checks provided by us, or approved by us in advance. Withdrawals and transfers from your Account may be restricted as provided in the Agreement, or in the Schedule, or by applicable law. (B) **Withdrawal Restrictions and Overdrafts.** We do not have to allow you to make a withdrawal from your Account if you don't have sufficient available funds in the Account to cover the full amount of the withdrawal. If there are available funds to cover some, but not all, of the withdrawals or other debits to your Account on a single business day, we will post the checks for which there are sufficient available funds from the smallest dollar check to the largest. We may pay other withdrawals or debit items (such as charges) prior to paying any checks, and we may post those other withdrawals or debit items in any order we may choose at our sole discretion. If there are insufficient funds available in your Account to cover a withdrawal or debit presented against your Account, this is

called an "overdraft". We will handle each overdraft in accordance with our Standard Overdraft Policy (described below) or in accordance with any other agreement you may have with us (such as an overdraft protection agreement). Even if we choose to pay one or more overdrafts, we are not obligated to cover any future overdrafts. When we determine whether payment of an item will create an overdraft, we may determine the balance of your account at any time between the time we receive the item and the deadline for us to take action on the item. We are not required to determine your account balance more than one (1) time during this period. (C) **Standard Overdraft Policy.** Unless we have agreed to a separate overdraft protection agreement with you, the following rules apply. We are not obligated to pay any overdraft. Subject to the special rules discussed below for transactions at an ATM and one-time debit card transactions, we may assess a service charge on any withdrawal created by check, in-person withdrawal, ATM withdrawal, or other electronic means that results in an overdraft, whether we pay the overdraft or not. If we pay the overdraft, you agree, immediately upon notice from us, to deposit funds sufficient to cover the overdraft plus any service charge we impose. For consumer accounts, we may not impose a service charge in connection with an overdraft that results from a transaction at an ATM or a one-time debit card transaction unless you have given us your consent to pay service charges in connection with overdrafts that result from these transactions and we have sent written confirmation of that consent to you. You may revoke that consent at any time. (D) **Notice Requirements.** Federal regulations require us to retain the right to require you to give at least seven (7) days notice in writing prior to any intended withdrawal from a savings, negotiable order of withdrawal ("NOW"), or money market account. Although we usually pay withdrawals or checks without notice on these accounts, doing so does not mean that we give up this right. (E) **Postdated Items.** You agree that when you write a check, you will not date the check in the future. If you do and the check is presented for payment before the date of the check, we may pay it or return it unpaid. You agree that if we pay the check, the check will be posted to your Account on the date we pay the check, even though the posting date is prior to the date of the check. You further agree that we are not responsible for any loss to you in doing so. We will not honor a postdated check if we receive advance notice from you at such a time and in such a manner as to afford us reasonable opportunity to act. The notice must be in writing, and it must specify the date, amount, and number of the check, along with the name of the payee. Notices are effective for the time periods stated under STOP PAYMENT ORDERS. You agree that we may return a postdated check to the presenter. (F) **Power of Attorney.** The person executing a power of attorney will be referred to as the principal and the person acting for the principal as the agent. We may refuse to comply with a power of attorney for reasonable cause, or until we receive an affidavit from the agent stating that the Power of Attorney presented is a true copy and that, to the best of the agent's knowledge, the principal is alive and that the relevant powers of the agent have not been altered or terminated. (G) **Signatures.** You recognize that we have adopted automated collection and payment procedures so that we can process the

greatest volume of items at the lowest possible cost to our customers. In light of this, you agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for the sight examination of items with a face amount below an amount specified by us from time to time. You authorize us to store and use Signature Card information in any reasonable form we deem necessary, including any digitized signature capture process, if you use a facsimile signature or other form of mechanically reproduced signature (such as, but not limited to, desktop publishing, digitized, or computer software generated signature), you agree you shall have the sole responsibility for maintaining security of the facsimile or mechanically reproduced signature and the device by which the facsimile or mechanically reproduced signature is affixed and you shall bear the entire risk for unauthorized use thereof whether or not you are negligent. You agree that no facsimile or mechanically reproduced signature we have been authorized to honor may be considered a forgery or an unauthorized signature, but that such facsimile or mechanically reproduced signature shall be effective as your signature or endorsement whether or not you have been negligent. You further agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure (including reasonable attorney's fees) we or you may suffer or incur as a result of any such facsimile or mechanically reproduced signature or the device by which it is affixed. If you use any form of facsimile or mechanically reproduced signature device, you agree to deliver a sample to us if we request it. (H) Preauthorized Drafts. If we are unable to enforce presentment and transfer warranties on remotely created checks under Regulation CC, then if you voluntarily give information about your Account (such as our routing number and your account number) to a party who is seeking to sell you goods or services, and you do not physically deliver a check to the party, any debit to your account initiated by the party to whom you gave the information is deemed authorized by you. (I) Check Legends. We may disregard information on any check or item other than the signature of the drawer, the identification of the drawee financial institution and payee, the amount, the endorsements, and any other information that appears on the MICR line. In addition, we are not responsible to take action on, or for failure to notify you of restrictive language placed on checks or other items, including but not limited to terms such as, "Void after 90 Days," "Paid in Full," "Two Signatures Required," "Void Over \$100" or similar statements. In accordance with reasonable banking standards, most checks and other items are processed through automated processing and, except in limited circumstances and in our discretion, most items are not individually examined. You agree that we act within reasonable banking standards by processing most checks and other items through automated processing systems. We may agree to adhere to extraneous legends if you notify us of such legends and we have agreed in writing to honor such legends. (J) Non-Customer Check Cashing Fee. If a person who is not a customer of ours presents a check drawn against one of your accounts for payment over the counter, we may charge the person a service charge for cashing the check. You agree that if the person refuses to pay the service charge, we may not

cash the check and we have no liability to you for refusing to cash the check.

STALE CHECKS. We reserve the right to pay or dishonor a check more than six (6) months old without prior notice to you.

CHECKING ACCOUNTS. If your account is a checking account, the following terms may apply. If we offer NOW accounts, the account must consist solely of funds in which the entire beneficial interest is held by one or more individuals in an individual capacity, a sole proprietor, or a governmental unit, but not professional corporations or business partnerships. A NOW account may also be held by a for profit organization serving in a fiduciary or trustee capacity for an entity that is itself permitted to hold a NOW account. Otherwise, an organization may hold a NOW account only if it is operated primarily for religious, philanthropic, charitable, educational, or other similar purpose.

SAVINGS ACCOUNTS. A savings account is an interest bearing account and is not a NOW account or time deposit.

TIME DEPOSITS. If your Account is a time deposit, you have agreed to keep the funds on deposit until the maturity of your Account. If your Account has not matured, any withdrawal of all or part of the funds from your Account may result in an early withdrawal penalty. We will consider requests for early withdrawal and, if granted, the penalty provided in the Schedule will apply. (A) Penalty. The early withdrawal penalty is calculated as a forfeiture of part of the accrued interest that has yet earned enough interest so that the penalty can be deducted from earned interest, or if the interest already has been paid, the difference will be deducted from the principal amount of your Account. For fixed rate Accounts, we will use the rate in effect for your deposit. (B) Exceptions. We may let you withdraw money from your Account before the maturity date without an early withdrawal penalty: (1) when one or more of you dies or is determined legally incompetent by a court or other administrative body of competent jurisdiction; or (2) when the Account is an Individual Retirement Account (IRA) established in accordance with 26 USC 408 and the money is paid within seven (7) days after the Account is opened; or (3) when the Account is a Keogh Plan (Keogh), if you forfeit at least the interest earned on the withdrawn funds; or (4) if the time deposit is an IRA or Keogh Plan established pursuant to 26 USC 408 or 26 USC 401, when you reach age 59 1/2 or become disabled; or (5) within an applicable grace period (if any).

STOP PAYMENT ORDERS. Subject to certain limitations, you may order us to stop payment on any check, automated clearing house/pre-authorized electronic funds transfer ("ACH/EFT"), or other item payable from your Account, whether drawn or authorized by you or any other account holder, as follows:

Stop Payment Against a Check or Other Item. A stop payment request against a check or other item payable from your Account will be effective if we receive the order at such time and in such manner as to afford us a reasonable opportunity to act upon the order. A stop

payment order against a check or other item payable from your Account is effective for six (6) months, but it lapses after fourteen (14) calendar days if the original order was oral and was not confirmed in writing within that period. A stop payment order against a check or other item payable from your Account may be renewed for additional six (6) month periods if renewed during a period within which the stop payment order is effective.

Stop Payment Against an ACH/EFT. For consumer accounts, a stop payment order against an ACH/EFT may be honored if received at least three (3) banking days before the scheduled date of the transfer. If we honor a stop payment request against an ACH/EFT received on or within three (3) banking days of the scheduled transfer, we do so without any liability or responsibility to any party having any interest in the entry. A stop payment order against an ACH/EFT is effective until the earlier of: (i) you withdraw the stop payment order, or (ii) the debit entry is returned, or, where a stop payment order is applied to more than one debit entry under a specific authorization involving a specific party, all such debit entries are returned. We may require you to provide us written confirmation of a verbal stop order request against an ACH/EFT within fourteen (14) calendar days. Additionally, if you request us to stop all future payments pursuant to a specific ACH/EFT authorization involving a particular party, we may require you to confirm in writing that you have revoked such authorization. For business accounts, a stop payment against an ACH/EFT is effective until the earlier of (i) you withdraw the stop payment order, (ii) the return of the debit entry, or (iii) six months from the date of the stop payment order, unless renewed in writing.

All stop payment order requests will require you to provide the date, the amount, and the number of the item or authorization, together with the name of the payee. If you give us incorrect information, we will not be liable for failing to stop payment on the item or authorization. Our acceptance of a stop payment order will not constitute a representation that the item or authorization has not already been paid or that we have a reasonable opportunity to act upon the order. You may not stop payment on an official, certified, cashier's, or teller's check issued by us, or request us to stop payment if we have otherwise become accountable for the item or authorization. In addition, you may not stop payment on checks governed by a separate agreement, such as a check guaranty agreement. Further you may not stop payment on an item or authorization after acceptance of the same by us.

Based upon the type of account ownership that you have designated, the following terms and conditions apply.

INDIVIDUAL ACCOUNTS. An Individual Account is an account in the name of one depositor only. Only that person may write checks against the Account or withdraw money, regardless of who actually owns the funds.

MULTIPLE-PARTY ACCOUNTS. This section pertains to multiple party accounts:

(A) Joint Account Ownership. An account with two or more

Account Holders is a joint account. Unless you designate otherwise on the Signature Card, joint Account Holders will be considered joint tenants with right of survivorship.

(1) Joint Tenants With Right of Survivorship. If your Account is a joint account with right of survivorship, upon the death of one of the joint Account Holders, that person's ownership interest in the Account will immediately pass to the other joint Account Holder(s).

(2) Joint With No Right of Survivorship. If your Account is a joint account with no right of survivorship (Joint as Tenants in Common), upon the death of one of the joint Account Holders, that person's proportionate ownership interest will pass to the estate of the deceased Account Holder.

Each joint Account Holder, without the consent of any other Account Holder, may, and hereby is authorized by every other joint Account Holder, to make any transaction permitted under the Agreement, including without limitation: to withdraw all or any part of the account funds; to pledge the account funds as collateral to us for any obligation, whether that of one or more Account Holders or of a third party; to endorse and deposit checks and other items payable to any joint Account Holder; to give stop payment orders on any check or item, whether drawn by that Account Holder or not; to consent to or revoke consent to payment of service charges on overdrafts that result from ATM transactions or one-time debit card transactions under the Standard Overdraft Policy; and, to close the account, with the disbursement of account proceeds as instructed by the joint Account Holder. Each joint Account Holder is authorized to act for the other Account Holder(s) and we may accept orders and instructions regarding the account from any joint Account Holder. If we believe there to be a dispute between joint Account Holders or we receive inconsistent instructions from the Account Holders, we may suspend or close the account, require a court order to act, and/or require that all joint Account Holders agree in writing to any transaction concerning the account.

Your obligations under the Agreement are joint and several. This means that each joint Account Holder is fully and personally obligated under the terms of the Agreement, including liability for overdrafts and debit balances as set forth above, irrespective of which joint Account Holder benefited from the withdrawal. If you establish a joint account without the signature of the other joint Account Holder(s), you agree to hold us harmless for our reliance upon your designation of the other joint Account Holder(s) listed on our documents. Further, the Account is subject to the right of setoff as set forth below.

(B) Totten Trust Account. A Totten Trust Account is an informal trust account, reflected on our records, but without a written trust agreement, where the Account is owned by the trustee. The beneficiaries have no right to any funds in the Account during the trustee's lifetime. As the owner of the Account, the trustee may withdraw money from the Account and may, by written direction to us, change the beneficiary under the Account. When the trustee dies, the Account is owned by the named beneficiary or beneficiaries. If the Totten Trust Account is held by more than one trustee, the trustees

will be subject to the rules pertaining to joint account ownership as set forth above. If there is no surviving beneficiary upon the death of the last trustee, state law will determine ownership of the funds in the Account.

(C) P.O.D. Account. A Payable on Death (P.O.D.) Account is an account payable to the Account Holder during his or her lifetime. As the owner of the Account, you may withdraw money from the Account and may, by written direction to us, change the P.O.D. payee(s) under the Account. When the Account Holder dies, the Account is owned by the P.O.D. payee(s). If the P.O.D. Account is held by more than one person, each Account Holder will be subject to the rules pertaining to joint account ownership as set forth above. If there is more than one surviving P.O.D. payee, the respective interest of each shall be deemed to be in equal shares, unless otherwise stated in the Financial Institution's deposit account records and as allowed by applicable state law. If there is no surviving P.O.D. payee upon the death of the last owner, state law will determine ownership of the funds in the Account.

ADDITIONAL ACCOUNT TYPES. This section applies to other deposit account types:
